## MEASURING GUIDELINES

JOSTENS FINE QUALITY GOWNS HAVE AN 8–12 INCH FLOOR CLEARANCE. IF YOU WISH TO DEVIATE FROM THESE STANDARDS, YOU MUST SO SPECIFY ON THE ORDER FORM.

THE REQUIRED MEASUREMENTS ARE DETAILED HERE TO ASSIST YOU IN OBTAINING ACCURATE MEASUREMENTS.

- 1) **HEIGHT:** record total height from top of head to floor (A to B) while wearing shoes (for ladies, the height should include heels). Record in feet and inches — e.g. 5'8".
- 2) **WEIGHT:** list approximate weight in street clothes.
- 3) **SHOULDER TO SHOULDER:** give the measurement in inches across the back from tip of shoulder to tip of shoulder (C).
- 4) **SHIRT COLLAR SIZE:** give regular shirt collar size or measure the neck about one inch above the collar bone. Record in inches.
- 5) **SLEEVE LENGTH:** give usual shirt sleeve length or measure from point D at center-back, around the elbow, and to point E at base of the hand while arm is in position shown in the diagram. Record in inches.
- 6) **JACKET (CHEST) SIZE:** be sure tape is well up under the arms and over the shoulder blades before measuring completely around the chest (H). Record in inches.
- 7) **CAP/TAM SIZE:** measure the circumference around the head. Record the exact size in inches to the nearest  $\frac{1}{4}$  inch.  
Note: Circumference of head divided by 3.14 equals hat size.
